## Export LCL Manaus Low Water Surcharge

Dear valued customer,

please be advised that due to the ongoing drought situation in the Amazon region, we have been advised by the carriers that a Low Water Surcharge will be applied for shipments destined to Manaus.

In line with the carriers we are implementing the surcharge as from October, 15<sup>th</sup> 2023.

**Low Water Surcharge 13.00 EUR W/M**

We apologize for any delays caused by this situation.

For further information please contact your local Saco Shipping Team.
